

Berkeley Folk Dancers' Evening Programs Will Move in September!

Due to a City of Berkeley construction project to remodel Live Oak Community Center, Berkeley Folk Dancers evening sessions will temporarily relocate to James Kenney Recreation Center. The City's work will include seismic upgrades and adding air conditioning. We will probably return to Live Oak during October 2020.

Our last night at Live Oak Clubhouse will be Friday August 16, 2019. It will be a regular request night *but let's make it a short-term bon-voyage party!*

Our first regular dance night at James Kenney Recreation Center will be Tuesday September 3, 2019. The building where we will dance at James Kenney is on the south side of Virginia Street between 7th Street and 8th Street. There should be ample street parking.

Looking south across Virginia Street towards James Kenney. Building entrance is to the left.

Building Entrance. The sign says "1720 Eighth Street" but you will only find it from Virginia Street! Go in the door, turn right, and go up to the second floor.
